VICE PRESIDENT FOR ADMINISTRATION

March 4, 1994

Mayor Larry Abernathy  
City Hall  
1200 - 3 Tiger Boulevard  
Clemson, South Carolina 29631

Dear Mayor Abernathy:

To facilitate planning on the part of the City of Clemson for the 1995 Carolina Panther home season to be played in Memorial Stadium, I am pleased to inform you and the City Council that \$100,000 is being committed from game revenues to cover the special requirements placed on the City to provide support for this activity.

It is recognized that this is approximately \$16,000 more than the projected costs itemized by the City staff, but the feeling here is that we would try to allow for unanticipated needs at this time rather than deal with incidentals after the season is underway.

I hope this commitment will be helpful to your planning.

Sincerely,

Manning N. Lomax
