Dear Clemson Man:

We have been informed that you are being "conditioned" to accept racial integration at Clemson. Integration is COMMUNISM IN ACTION and is one of the most potent weapons being used in the Red "cold war" to take over America. The Commies know that forced integration will stir up discord and violence to weaken our country's resistance.

Contrary to the Supreme Court's ruling, racial integration in schools and colleges is not the "law of the land". Article Six of our U. S. Constitution, Section 2, states: "This Constitution, and the laws of the United States ... and all treaties made ... shall be the supreme law of the land; ..." Only the Congress can make laws.

For forty years the Communists, their allies, and their dupes have been conducting propaganda campaigns to promote racial integration in the U. S. A. Political leaders seeking negro votes are aiding pro-integration organizations. Great civilizations like Egypt, Rome and Portugal have collapsed from the mongrelization that followed integration. Much of this false propaganda has infiltrated schools, colleges and religious seminaries. J. Edgar Hoover, F. B. I. director, says that youth is "a prime target of Communist attack."

Our State leaders must stand up and exhaust every legal avenue before submitting to brute force and federal tyranny.

Should unconstitutional federal force finally thrust a negro student in your midst, we urge you to leave him alone; don't notice him; ostracize him and all those who associate with him. Do not resort to violence, for that is what the Commies want. Help Clemson remain true to her tradition.

Yours for a Better Clemson,
