Names for Buildings

Dr. R. F. Poole, President
Clemson Agricultural College

Dear Dr. Poole:

Attached is a copy of the minutes of the Buildings and Grounds Committee meeting held today.

We had planned to take up the matter of recommending a site for the emergency barracks allocated to Clemson by the FPHA, but the discussion of names for College buildings and new campus roads consumed the full time. We will recommend a location for the barracks at our next meeting.

Yours very truly,

David J. Watson
