## Valley of the Shadow

God, I am traveling out to death's sea,  
I, who exulted in sunshine and laughter,  
Thought not of dying—death is such waste of me!  
Grant me one prayer: Doom not the hereafter  
Of mankind to war, as though I had died not—  
I, who in battle, my comrade's arm linking  
Shouted and sang—life in my pulses hot,  
Throbbing and dancing! Let not my sinking  
In dark be for naught, my death a vain thing!  
God, let me know it the end of man's fever!  
Make my last breath a bugle call, carrying  
Peace o'er the valleys and cold hills forever.

—John Galsworthy.
